Dear Preschool Parent(s),

Welcome to Community Christian Preschool. You may return the enclosed forms anytime before school ends or bring them to Open House in September. Do not drop them at school in August. The staff does not work regular hours in the summer. The first two monthly payments are due at Open House, prior to the first day of school. If you wish to send an August payment, please mail your check or send through Venmo, do not mail cash or drop off payments to the drop box unless specific arrangements with the director have been made. As a reminder tuition is paid monthly from August-April, while school runs September-May. You will receive an email from Mrs. D around September 1st containing the Venmo info for new families, our Remind class codes and the times of Open House/New Family Meeting. We began serving the community in 1975, and we thank the Lord for the opportunity to continue and to teach and nurture your child(ren) in a Christian environment.

Enclosed you will find an assortment of forms that are **necessary for the preschool to have on file before the beginning of school.** Some of these forms are state regulations that must be **filled out completely with signatures before your child(ren) may attend preschool.** Please do not lose this packet. Read carefully the section concerning tuition payments. Look over the forms and information below carefully, fill the forms out **completely**, and bring all forms and the tuition payments to Open House in September. If you wish to mail that August payment, or submit forms early, please send to:
